

Using Consultee Access on personal tablets, iPads and laptops

Some Cllrs, Clerks and Members have found that when using their personal tablets, iPads, laptops and other mobile devices, the **In-Tray** in Consultee Access is not available.. Please see the instructions and screen shot below that will enable the In-Tray to be revealed.

If you are you an IOS browser (Safari) to see the desktop site you simply hold down the refresh icon. See picture below

This will take you to the desktop version where you will be able to see the In-Tray in Consultee Access.
