Dear Mr Byrne,

Application for Designation of A Neighbourhood Area

Cheddington Parish Council has resolved to develop a Neighbourhood Plan for the Parish of Cheddington and accordingly I am writing to apply for the designation of the parish as a neighbourhood area under Regulation 5 of the Neighbourhood Planning (General) Regulations 2012.

Regulation 5 requires a relevant body submitting an area application to the local planning authority to include:

- a) A map which identifies the area to which the application relates
- b) A statement explaining why this area is considered appropriate to be designated
- c) A statement that the body making the application is a relevant body for the purposes of Section 61G of the 1990 Act

Attached is a map of the current parish boundary and this will be the area to which the application relates. The area covered by the application will be the whole of the parish and will not intrude into any of the adjoining parishes.

The Localism Act 2011 Section 61F makes it clear that a parish council is authorised to act in relation to a neighbourhood area if that area consists or includes the whole or part of any area of the council. Cheddington Parish Council agreed that it wished to implement a Neighbourhood Plan for the parish at a meeting of the Parish Council on the 3rd July 2013. This application for the designation of the parish as a Neighbourhood Area is the first stage of the process. Cheddington Parish Council would therefore state that it considers the Parish of Cheddington appropriate to be designated as a Neighbourhood Area.

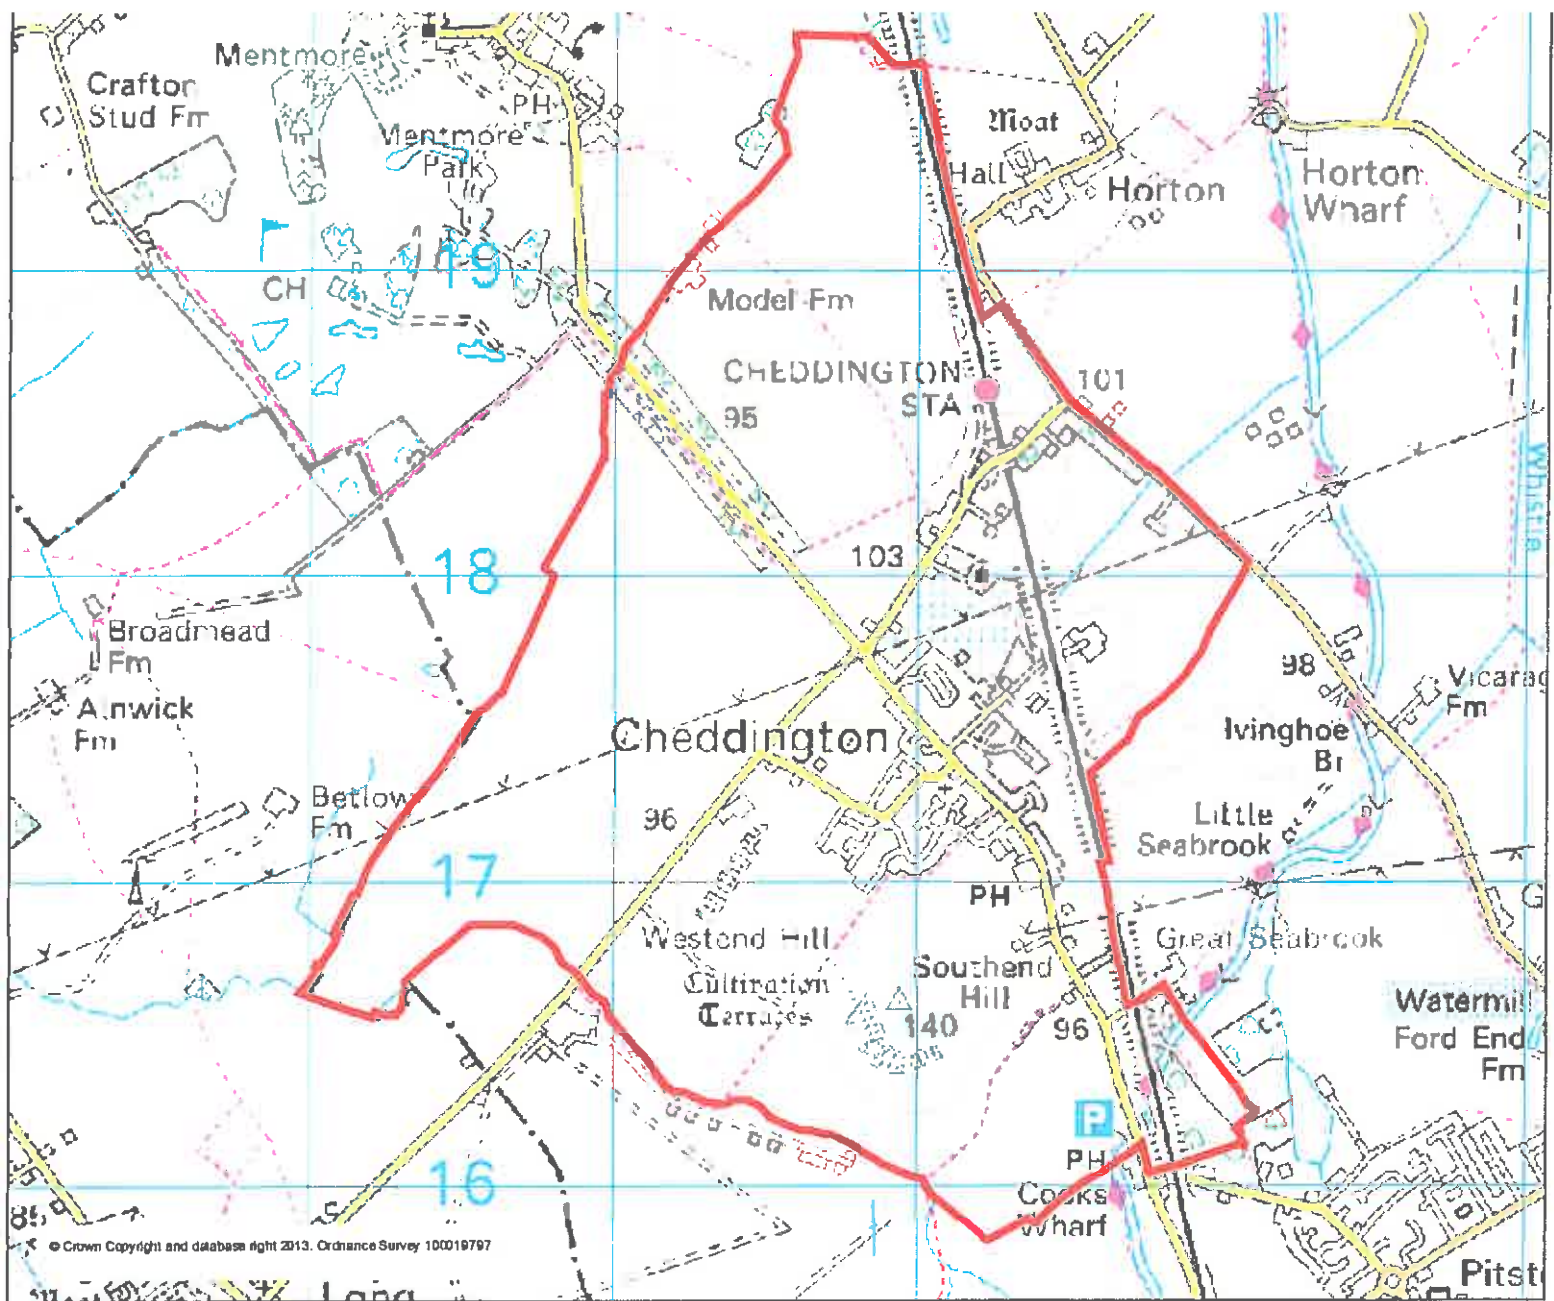

Cheddington Parish Council is a relevant body under Section 61G of the 1990 Act as amended by the Localism Act of 2011 which states in paragraph (2) that a relevant body means a parish or town council.

I would be grateful if you would acknowledge receipt of this application.

Yours sincerely

Margret Smith
Clerk to Council
