

Recycling and waste services

We offer a value for money commercial recycling service for organisations and businesses in Aylesbury Vale.

The new service is designed to offer a cost effective and flexible service to reduce the amount businesses spend on waste collections for:

- offices
- restaurants and pubs
- schools
- garages
- workshops and industry of all sizes

Our new mixed (all in one bin) recycling service collects:

- all paper, including newspapers, brochures
- glass, bottles and jars
- mixed cans
- plastics
- tetra packaging
- all card, including cardboard packaging.

Please note: we can only accept clean and dry cardboard, with no food spoilage. Flattening card helps to make more room in your bin.

Why use us?

- ✓ We are local – you know who we are
- ✓ We will provide a flexible service, at a price you can afford.
- ✓ We're reliable - your waste is always collected and disposed of safely by our own collection crews
- ✓ We don't subcontract your work
- ✓ You only pay for the rubbish we take away.

By signing up for our recycling service you will be reducing the waste sent to landfill, your waste disposal costs and your carbon foot print.

Pricing and sizes

We have NO hidden fees, such as fuel surcharges or annual transfer notes. There's NO bin rental for recycling or charges for 'duty of care' and our prices are fixed for one year from 1 April, so you always know what you'll be charged.

Bin sizes and prices for mixed recycling from 1 April 2015:

- £5 for a 360 litre bin
- £7 for a 660 litre bin
- £10 for an 1100 litre bin

Bin rental and prices for residual waste collections

Prices are flexible to fit your individual frequency, volumes and storage capacity requirements - please contact us for a tailored quote to suit your needs.

Email: commercialwaste@aylesburyvaledc.gov.uk
or phone us on 01296 585237.

There's no VAT charged.

Special rates for schools and charities.

We offer three sizes of waste bins:

- 1100 litres
- 660 litres, and
- 360 litres.

The environment

We all have a part to play in protecting and enhancing the environment. Businesses and organisations in Aylesbury Vale, no matter how small or large, have a legal responsibility for their waste - it's storage, handling, recycling and it's disposal. This has a major role in protecting and enhancing the environment.

However, good waste management isn't just about complying with legislation - your business can benefit too.

You can see specific benefits, such as reducing your disposal costs and improving both your business image and environmental credentials, by reducing the volume of waste you send to landfill. Let us help you with this, contact us by email commercialwaste@aylesburyvaledc.gov.uk or phone us on 01296 585237.
