louise@poservices.co.uk Mobile: 07789 486419

The two weeks of hearing sessions of the Examination in Public of the Aylesbury Vale Local Plan ended on Friday 20th July.

The Inspector set out the next steps in the examination process in his round-up at the end of the last session.

Over the next four to six weeks the Inspector will be reviewing his notes of the hearing sessions, considering the representations, the evidence submitted and what he has heard during the hearing sessions. He will then come to a view on where it will be necessary to make modifications to the plan which are not agreed, but which will be necessary to make the Local Plan sound.

Once the Inspector has completed this stage of the examination I will be in touch with all regulation 19 representors, and information will be posted on the Aylesbury Vale website through the link below.
