

VALE OF AYLESBURY LOCAL PLAN EXAMINATION

Inspector: Paul Clark BA MA MRTPI

Inspector's Questions to the Council:

Q118

The Office of National Statistics published the latest (2016-based) Household Projections on 20 September. I need to have AVDC's view as to whether the new household projections represent a meaningful change in the housing situation and if that should have any bearing on the soundness of the plan. I will need a response before I can conclude the clarification to my Interim Findings which the Council has requested.
