At the end of the hearing sessions in July the Inspector indicated that he would be sending his Interim Findings to the Council in the next four to six weeks.

The Council has raised various points in relation to the Inspector's Interim Findings. The Findings sent and the points raised are examination documents with the reference numbers ED166 and ED166A and ED167, ED167A and ED167B. The Inspector does not wish to receive any other representations in relation to his Interim findings at the present time.

The Inspector is currently considering the Council's points which is likely to take a couple of weeks following which, any changes to the Interim Findings will be published.
