INFORMATION REQUIRED

If you wish any of the following standard enquiries to be answered then please tick the relevant box(es).
If you require any additional questions to be answered then please submit them in writing as an attachment to this form.

Is the site on a former landfill site or within a 250m radius of a former landfill/present landfill site?

Has there been any reported pollution incidences arising from the site?

Has the site been designated as contaminated land under Part IIA of the EPA 1990?

Have any site investigations or remedial works been undertaken at the site?

If you wish either of the following publically available records to be searched please tick the relevant boxes. Please note that these files are available for members of the public to view free of charge. However if you want this Department to carry out a search of them, a charge will be made.

Are there any LAPC/PPC/Environmental Permits issued within a 250m radius of the site?

Is the site within an Air Quality Management Area (AQMA)?

N.B. This search is carried out using information available on Environmental Health and Licensing databases and file records. Any information available elsewhere is not included.

Upon completion of this form please either post, email or fax it to;
Land and Air Quality Team, Environmental Health and Licensing, Aylesbury Vale District Council, 66 High Street, Aylesbury, Bucks HP20 1SD or envhealth@aylesburyvale.gov.uk or fax 01296 585674
